OVERVIEW

I am a motivated and enthusiastic frontend developer with solid foundational knowledge in HTML5, CSS3, JS and a growing understanding in React JS. I am passionate about learning and applying responsive web design techniques. I am eager to contribute to the solution of real-world projects whilst advancing my technical and problem-solving skills.

EDUCATION

BACHELOR'S DEGREE (BSC.) | INFORMATION TECHNOLOGY

Ghana Communication Technology University, 2025 – 2029

BACHELOR'S DEGREE | NATIONAL SENIOR CERTIFICATE

Willow Ridge High School, South Africa, 2019 – 2023

EXPERIENCE

FREELANCE (UPWORK) | FRONTEND WEB DEVELOPER

Greater Accra, GH, Dec 2024 – present

Building and designing responsive and unique websites for clients. Devloping and advancing my skills in React Js and tailwindcss for better, unique and aesthetic websites.

GO2COD | FRONTEND WEB DEVELOPER INTERN

Remote, GH, Nov 2024 – Dec 2024

A remote internship opportunity, that equipped me with basic problem-solving skills in code by building beginner friendly projects whilst gaining real-world experiences.
